Restoring a snapshot to a new volume 1

Restoring a snapshot to a new volume

You can restore a snapshot to a new volume as necessary.

Steps

1. On the Snapshots page or in the Snapshots section in Volume details, select the snapshot from which to restore, click **Available**, and then select **Restore to Volume**.
2. In the Create Volume dialog box, enter a name for the new volume, and edit other settings if necessary.
