Release notes

What's new

Learn what's new with NetApp Console licenses and subscriptions.

10 November 2025

Manage billing preferences

You can now configure and manage **Billing preferences** directly within the NetApp Console. This enhancement enables administrators to define and view how capacity usage, renewals, and costs are billed across direct NetApp licenses, cloud marketplace subscriptions, and Keystone agreements.

For more information, see the Billing preferences documentation.

06 October 2025

BlueXP is now NetApp Console

The NetApp Console, built on the enhanced and restructured BlueXP foundation, provides centralized management of NetApp storage and NetApp Data Services across on-premises and cloud environments at enterprise grade—delivering real-time insights, faster workflows, and simplified administration, that is highly secure and compliant.

For details on what has changed, see the NetApp Console release notes.

10 March 2025

Ability to remove subscriptions

You can now remove subscriptions from the digital wallet if you have unsubscribed from them.

View consumed capacity for Marketplace subscriptions

When viewing PAYGO subscriptions, you can now view the consumed capacity of the subscription.

10 February 2025

The BlueXP digital wallet has been redesigned for ease of use and now provides additional subscription and license management.

New Overview dashboard

The digital wallet homepage has an updated dashboard of your NetApp licenses and Marketplace subscriptions, with the ability to drill-down into specific services, license types and required actions.

Configuring subscriptions to credentials

The BlueXP digital wallet now allows you to configure your subscriptions to provider credentials. Typically you do this when you first subscribe to a Marketplace subscription or annual contract. Previously changing the subscription's credentials could only be done on the Credentials page.

Associating subscriptions with organizations

You can now update the organization to which a subscription is associated directly from digital wallet.

Managing Cloud Volumes ONTAP licenses

You now manage Cloud Volumes ONTAP licenses through the home page or the **Direct licenses** tab. Use the **Marketplace subscriptions** tab to view your subscription information.

5 March 2024

BlueXP disaster recovery

The BlueXP digital wallet now enables you to manage licenses for BlueXP disaster recovery. You can add licenses, update licenses, and view details about licensed capacity.

30 July 2023

Usage reports enhancements

Several improvements to the Cloud Volumes ONTAP usage reports are now available:

- The TiB unit is now included in the name of columns.
- A new *node(s)* field for serial numbers is now included.
- A new *Workload Type* column is now included under the Storage VMs usage report.
- Working environment names are now included in the Storage VMs and Volume usage reports.
- The volume type *file* is now labeled *Primary (Read/Write)*.
- The volume type *secondary* is now labeled *Secondary (DP)*.

For more information about the usage reports, refer to Download usage reports.

7 May 2023

Google Cloud private offers

The BlueXP digital wallet now identifies Google Cloud Marketplace subscriptions that are associated with a private offer and shows the end date and term of the subscription. This enhancement enables you to verify that you've successfully accepted the private offer and to validate its terms.

Charging usage breakdown

Now you can find out what you're being charged for when you're subscribed to capacity-based licenses. The following types of usage reports are available for download from the BlueXP digital wallet. The usage reports provide capacity details of your subscriptions and tell you how you're being charged for the resources in your Cloud Volumes ONTAP subscriptions. The downloadable reports can be easily shared with others.

- Cloud Volumes ONTAP package usage
- High-level usage

- Storage VMs usage
- Volumes usage

For more information about the usage reports, refer to Download usage reports.

3 April 2023

Email notifications

Email notifications are now supported with the BlueXP digital wallet.

If you configure your notification settings, you can receive email notifications when your BYOL licenses are about to expire (a "Warning" notification) or if they have already expired (an "Error" notification).

Learn how to set up email notifications

Licensed capacity for marketplace subscriptions

When viewing capacity-based licensing for Cloud Volumes ONTAP, the BlueXP digital wallet now shows the licensed capacity that you purchased with marketplace private offers.

Learn how to view the consumed capacity in your account.

6 November 2022

Subscriptions and annual contracts

Your PAYGO subscriptions and annual contracts for BlueXP are now available to view and manage from the BlueXP digital wallet.

Learn how to manage your subscriptions.

18 September 2022

Optimized I/O and WORM capacity

The BlueXP digital wallet now shows a summary of the Optimized I/O licensing package and the provisioned WORM capacity for Cloud Volumes ONTAP systems across your account.

These details can help you better understand how you’re being charged and whether you need to purchase additional capacity.

Learn how to view the consumed capacity in your account.

31 July 2022

Change charging method

You can now change the charging method for a Cloud Volumes ONTAP system that uses capacity-based licensing. For example, if you deployed a Cloud Volumes ONTAP system with the Essentials package, you can change it to the Professional package if your business needs changed.

Learn how to change charging methods.

3 July 2022

Consumed capacity

Digital Wallet now shows you the total consumed capacity in your account and the consumed capacity by licensing package. This can help you understand how you're being charged and whether you need to purchase additional capacity.

27 February 2022

Licenses for on-premises ONTAP clusters

You can now view an inventory of your on-prem ONTAP clusters along with their hardware and service contracts expiration dates. Additional details about the clusters are also available.

Learn how to manage licenses for on-prem ONTAP clusters.

2 January 2022

Licensing terms update automatically

If you change the capacity or term for any of your licenses, the license terms now automatically update in the . You don't need to manually update the license yourself.

The automatic license update works with all types of Cloud Volumes ONTAP licenses and all licenses for data services.
