Modify user details 1

Modify user details

Use this method to modify a user's details. You can:

- Modify the user's first name, last name, and display name.
- Add or remove tenancies to which the user has access.
- Modify the role of the user in each tenancy to which the user has access.

Steps:

1. Select Administration > Users from the menu.
2. Locate the user in the list and click the Edit icon.
3. On the Edit User dialog box, make any changes as required.
4. To change the role of the user in a tenancy, locate the tenancy in the Tenancies list and select the new role.
5. To grant the user access to another tenancy, click **Add Tenancy** and select the Tenant and the Role of the user in that tenancy in the new entry fields.
6. To remove access for the user to a tenancy, locate the tenancy in the Tenancies list and select the Delete icon.
7. Click **Update**.
