Logging in to Cloud Manager 1

Logging in to Cloud Manager

The Cloud Manager interface is accessible through a SaaS-based user interface by going to <https://cloudmanager.netapp.com>.

You can use single sign-on to log in using credentials from your corporate directory (federated identity). To learn more, go to the [Cloud Central Help Center](#) and then click **Cloud Central sign-in options**.

Steps

1. Open a web browser and go to <https://cloudmanager.netapp.com>.
2. Log in using your NetApp Cloud Central credentials.

The screenshot shows the NetApp Cloud Central login interface. At the top left is the NetApp logo. Below it is a blue link that says "Continue to Cloud Manager". The main heading is "Log In to NetApp Cloud Central". Below the heading is a horizontal line, followed by the text "Don't have an account yet?" and a blue link "Sign Up". There are two input fields: the first is labeled "Email" and the second is labeled "Password". Below these fields is a large blue button with the text "LOGIN" in white. At the bottom left of the form area is a blue link "Forgot your password?".
